

## **Potential Local Small Business Contracting Opportunity**

### **OFFENDER ELECTRONIC MONITORING SERVICES**

The Montgomery County Department of Correction and Rehabilitation (DOCR) is soliciting Proposals from qualified entities to provide Federal Communications Commission (FCC) - approved electronic monitoring services (Global Positioning Satellite and Radio Frequency Service,) for criminal offenders. The County intends to enter into a contract with a single vendor or with two separate vendors for services and equipment.

**We would like to make this opportunity available to vendors registered with the Local Small Business Reserve Program (LSBRP). If you know of any local business that could perform these services, please encourage them to do the following:**

**Self certify as a LSBRP vendor using the Central Vendor Registration System; <http://www.mcipcc.net/> and select the appropriate commodity codes 680-71 and 915-70.**
