

**Baltimore County
Department of Public Works
(Beginning 02/12/2012)**

Division of Construction Contracts Administration - Capital Improvement Contracts are issued by and posted on the Baltimore County Department of Public Works web pages. General Contractors must be pre-qualified (10 days prior to bid opening). If there is a pre-qualification requirement for subcontractor, pre-qualification for the sub must also be approved 10 days prior to bid opening. Information pertaining to construction contracts solicitations and pre-qualification can be obtained by visiting: <http://www.baltimorecountymd.gov/Go/constructioncontracts>
